# It's **BACK TO THE FUTURE** in 2015

The Jeff and Polly Hatfield Reunion hits the big **30** in 2015, coinciding with the 30th anniversary of the first **BACK TO THE FUTURE** movie. Joy Kay Hatfield, Margaret Rader, and Nina Rose Hatfield, Co-Chairs, thought it fitting that the Hatfield Family celebrate the **BACK TO THE FUTURE** trilogy, which spans the years 1885, when Jeff and Polly were youngsters, to 2015—the far-flung future of the movie series.

For those who arrive on Thursday, we will have the **Marty McFly Social** at the pool beginning at 7:00 PM for snacks and fun. At noon on Friday Jeff and Polly's grandchildren are invited to lunch at the Jenny Wiley Lodge to socialize. Friday is generally a day of leisure until the horseshoes start clanging and our youngest play on the playground at the recreation area at the Jenny Wiley Dam. Horseshoes and the playground start at 4:00 so that family members can get to the picnic on time.

At 5:30 PM, Jeff and Polly's Picnic, hosted by the Phyllis Blackburn family, commences at the **Lou's Cafe** (also known as the Pines Building). While a main dish will be provided, please bring your own table service, drinks, and any side dish you would like to share.

After dinner, Roger Blackburn will be the auctioneer at our **Awesome Auction**, featuring tasty items and specialty items. The items donated by family members and the money raised are so important because they provide support for the Reunion and other Jeff and Polly Hatfield family activities. After the picnic and auction, the family will gather at the Lodge for **Doc Brown's PJ Party**. Prizes will be awarded for the best PJ outfit best representing each era: 1885, 1955, 1985, or 2015. In addition, anyone interested in the Anderson Hatfield Cemetery Revitalization Project can join in the discussion at the Lodge.

On Saturday we will start with the 24th Bill Morris Memorial Golf Tournament, hosted by Jeanne and Jeff Hatfield. It is a scramble to encourage family players of every level to come out for the fun. Please let one of them know that you would like to play.

There will be the **Flux Capacitor Pool Games** at the the Jenny Wiley pool in the afternoon.

One of the events with the most laughter will be the **Blast from the Past** Historic Preservation Session, where you get the low-down on your mother, grandfather, or cousin. Join us for a few pre-dinner laughs.

Later on Saturday, we will be in **Hill Valley** (Jenny Wiley Lodge) at 6:00 for dinner, a business meeting, and awards. After the business meeting, our **BACK TO THE FUTURE** games get underway at the **Clock Tower**. Feel free to wear your letter jackets and arrive in your DeLorean.

## It was a Throwback at the 2014 Reunion

The Jenny Wiley Lodge was humming with activity as Chelsea Tibbitts kicked off the 2014 Reunion. The Reunion started off on

Chelsea Tibbitts chaired the 2014 Reunion

Thursday evening, as early arrivals gathered around the Jenny Wiley pool to catch up with each other.

On Friday morning, a group of family members achieved a long-time Jeff and Polly Hatfield family goal to install benches on the Anderson Hatfield Memoria Cemetery.

Three benches, paid for by the Anderson Hatfield Memorial Cemetery Fund, were installed on the cemetery under the supervision of Bentley Adams and Joe Breeze. Steve Hatfield, Polly Jane Breeze, and Marlene Morris supervised the supervisors. Those being supervised included: JB Bowe, Jeff Hatfield, Joy Kay Hatfield, Mitch Hatfield, Nina Rose Hatfield, Stuart Hatfield, Stacy Uriarte, and Trey Wright. It was a real achievement and one that has taken significant discussion and planning.

Once again Phyllis, Sharon, Kim Blackburn, and Teresa Craig and their crew orchestrated an outstanding picnic. It has become one of the favorites of the Hatfield Reunion. Roger Blackburn and Tom Hatfield ran the

2014 auction, which raised more than \$2,430 to run the Reunion and to do the other projects that the family members are interested in. Family members of all ages participated, so that cakes and goodies were donated by young cooks, Jack and Bennett Caudill, Maggie Blackburn, and Alex

and Maddie Noonan. We had stack cake, cherry pie, pecan pie, and Opal's pickles. Among other unusual items were a quilt with Reunion t-shirts; Woodford Reserve; a limited print with Caywood Ledford, the legendary UK announcer; a wood burning of an iconic photograph of Guy Hatfield and his red truck and framed in wood from the Anderson and Polly Hatfield home place.

Saturday morning started off with the 23rd William Morris Golf Tournament. The tournament is staged to encourage family competitors from every skill level. It turned out to be the best scoring tournament ever, and the only one that competitors can remember in which all of the teams were below par. The highest score of -2 has won a lot of tournaments, but not in 2014. The team of Ryan Noonan, Tyler Wright, Larry Tschaenn, and Wil Hatfield rode the wave of Ryan's eagle (2 shots under par) to have a -5. In 2014

that was not enough as Jeff's Hatfield's team of Roger Blackburn Jr., JB Bowe, and Nina Rose Hatfield scored a -6. Michael Tibbitts had the longest drive for the men and Larry Tschaenn had the closest shot to the pin. Nina Rose Hatfield, who won the longest drive for the women, has offered a \$100 challenge for the woman who wins in 2015.

The Hatfield History Session always is an interesting event. It not only preserves the history of the family, but consistently provides some of its funniest moments. In 2014 the cousins talked about their memories of Estil Hatfield and William Jefferson "Bill" Hatfield Jr., as well as how the Memorial Day dinners were organized by our aunts. The Jeff and Polly Hatfield family fed the community on Memorial Day weekend.

We talked about the precision with which Estil, a contractor, kept track of his tools. Bill, as it turns out, was a spectacular engineer and was involved in a number of major projects around the area, including the Williamson ARH Hospital in South Williamson, Kentucky. He also served on General Dwight Eisenhower's staff in England and France during World War II.

Family members, including Phyllis Blackburn, Steve Hatfield, Jeanne Hatfield, Paul Morris, Janet and JB Bowe, Marlene Adams, Margaret Rader, Polly Breeze, Nina Rose Hatfield, and Joy Kay Hatfield were among those who participated.

Chelsea awarded the door decoration prizes, based on the theme of your favorite year at the Hatfield Reunion. Janet and JB Bowe won the overall prize, Teresa and Gary Craig won for the best use of theme, and Jeanne Hatfield won for the

funniest door. In addition to the golf prizes, Zach and Roger Blackburn Sr. took home the prize for throwing the best horseshoes.

Chelsea led the family in reviving many of the favorite games from earlier Reunions. Eight teams competed in games ranging from picking an eraser out of bowl of ice (Emily Hatfield and her partner Owen Hatfield retrieved 8); Poop Deck; and stacking the cups. At the end of the evening the team of Stuart Hatfield, Kacye Mays, Melissa Morris, Tommy Hatfield, Katie Tschaenn, Charlotte Craig, and Brittany Hatfield took home the prize.

## Matters of the Heart

*Trey and Anna*

On September 20, 2014, the procrastinating Trey Wright (Joy Kay Hatfield) and the long-suffering Anna Meisinger Swisher celebrated their marriage at Storybrook Farm in Jonesborough, Tennessee. The reception, centered around a whole-hog pig roast, included many ingredients from local farms and several dishes made by the bride herself. Barbara Howard, Trey's cousin, contributed her delicious chicken salad and cornbread salad for the occasion.

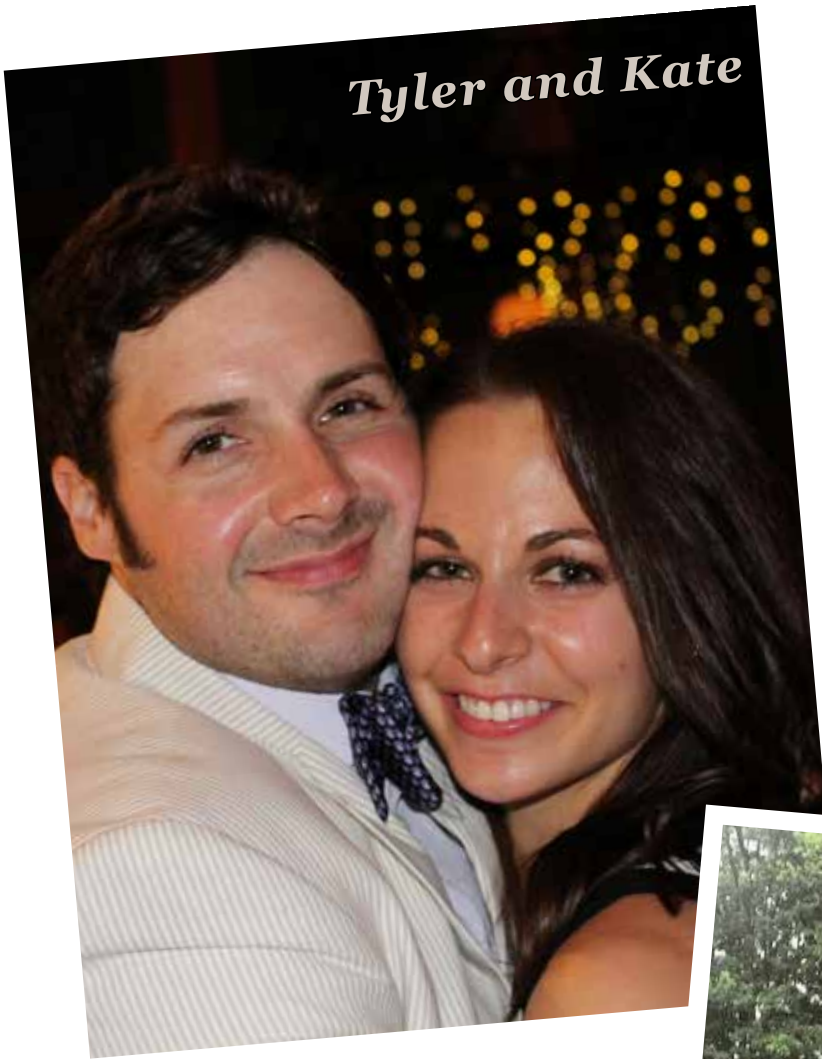

*Melissa and Greg*

On July 7, 2014, Melissa Gail Bertram and Paul Gregory Morris (Paul Morris) were married in Somerset, Kentucky. We were fortunate to have Melissa join us for the 2014 Hatfield Reunion.

Trey and Anna currently reside in a small house on a 90-acre cattle farm in Johnson City, Tennessee, where they tend to a garden, chickens, and bees. Trey and Anna received two good omens the day after the wedding: the chickens started laying eggs and a calf was born with a white heart-shaped blaze!

*Tyler and Kate*

Kate Rowe was faced with a family precedent of dating for 11 years before marriage (see Trey and Anna, p. 14) when she started dating Tyler Wright (Joy Kay Hatfield). So Kate was aptly surprised when Tyler proposed after only five years of dating! Kate just finished her first year as a speech language pathologist in the Milford School System in Milford, Ohio. Tyler is a school administrator at Mt. Auburn International Academy in Cincinnati, Ohio, and is a basketball coach at Summit Country Day in Cincinnati. Tyler's team continued their winning ways under his leadership.

*Sidney and Matt*

Matt Heiden has had the good sense to date Sidney Hatfield (TJ Hatfield) since high school. On June 11, 2015, Matt was baptized and Sidney was re-baptized at the Sunbury Christian Church in Sunbury, Ohio. To Sidney's surprise, Matt dropped to his knee and proposed—being the intelligent man that he is. Matt is in pre-dental studies at Ohio State University, where Sidney is also a student.

# for the record

*Ashley*

Ashley Nicole Johnson (Marlene Adams), daughter of Suzanne and Bryan Johnson, was valedictorian at Orleans High School in Orleans, Indiana. Ashley will attend the University of Indianapolis for an undergraduate program in Exercise Science and the doctoral program in Physical Therapy. Ashley broke a school record for the most assists in basketball and was on the All Conference Team in volleyball. In her spare time she was the Homecoming Queen and Prom Queen.

*Emily*

Emily Claire Hatfield (Steve Hatfield), daughter of Stuart Hatfield, was the salutatorian at South Dearborn High School in Aurora, Indiana. Emily is a gifted student and talented leader, from serving as the drum major for her marching band to leading her academic team in state championships. Emily earned several scholarships to start in the Engineering & Honors College at Purdue University this fall, where she is majoring in Astronautical Engineering and boosting the Boilermakers in the marching band.

*Guy*

Guy Thomas Hatfield (TJ Hatfield), here with Jackie, Sidney, Sarah, and Tom, graduated from Big Walnut High School in Surbury, Ohio. Guy, who was a member of the Big Walnut football team, will be going to Columbus State University in the fall.

*Michael*

Michael Dennis Blackburn (Phyllis Blackburn), son of Rodney and Kim Blackburn, graduated from Big Walnut High School in Sunbury, Ohio. He was given his diploma by his grandfather, Paris Blackburn. Michael, a baseball player and a big UK fan (naturally) won a Bluegrass scholarship for out-of-state scholars. Michael is planning on a career in nursing or pharmacy.

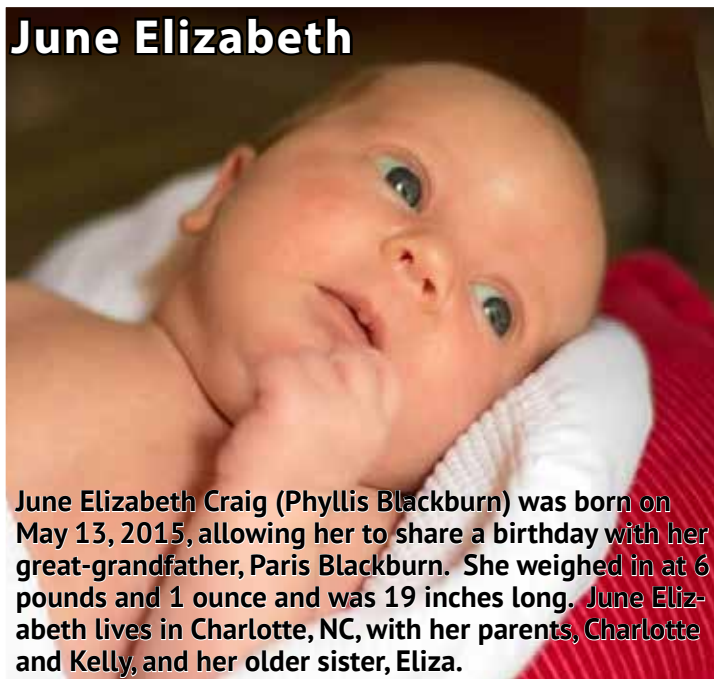

**Jacob**

Jacob Patrick Covington (Paul Morris), son of Veronica and Joseph Covington, graduated as valedictorian from Scott County High School in Georgetown, Kentucky. He was awarded the Presidential Scholarship from the University of Kentucky where he will study chemical engineering in the Honors College.

**June Elizabeth**

June Elizabeth Craig (Phyllis Blackburn) was born on May 13, 2015, allowing her to share a birthday with her great-grandfather, Paris Blackburn. She weighed in at 6 pounds and 1 ounce and was 19 inches long. June Elizabeth lives in Charlotte, NC, with her parents, Charlotte and Kelly, and her older sister, Eliza.

*Isabelle Dashmy*

**Isabella Marie**

Isabella Marie Persinger (Arnold Norman) arrived on December 31, 2014. She was 6 pounds and 11 ounces and 21 inches long. Isabella is the first child of Adam and Alicia and was thoughtful enough to arrive in time for an extra year's tax exemption.

Isabelle Dashmy Adams, (Marlene Adams) was born in Croix-des-Bouquets, Haiti, on December 3, 2009. Isabelle is enjoying her new life with parents, Dawn and Mark Adams. Her siblings Mark II, Alex, Riley, and Katie, keep things exciting. Isabelle enjoyed her first Reunion in 2014.

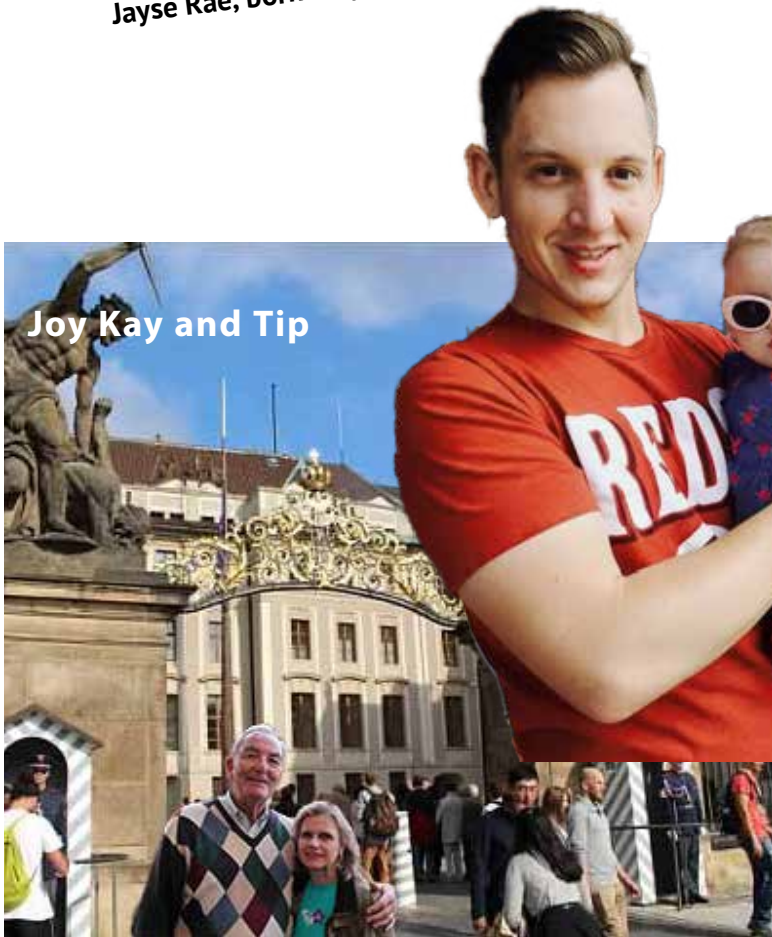

**Jonathan and Jayse Rae**

Jonathan McClanahan (Leslie Hatfield) introduces Jayse Rae, born May 18, 2015, in Cape Coral, Florida.

**Katie and Larry**

Larry and Katie Tschaenn's (Phyllis Blackburn) big excitement is preparing for their first child in November. Larry is a shipping coordinator at his new job at RA Jones and is attending school. As she is preparing for the baby, Katie is completing nursing school in December.

**Joy Kay and Tip**

**Brad and Lucy**

Brad Felty (Robert Hatfield) married Stephanie Michelle Hunley in 2014. They have a daughter, Lucy Diane Felty. Lucy was born on January 8, 2015. Clearly with sunglasses like hers, she is ready for the Reunion.

Joy Kay Hatfield and Tip Davidson took a cruise from Nurnburg, Germany, to Budapest, Hungary. Among many sites on the trip, they saw where the Nuremberg Trials were held; listened to a 17,000-pipe organ, Europe's largest; and visited a 400-year-old pastry shop. In Vienna, Austria, Joy Kay was toured by Susi Swisher, the mother of her new daughter-in-law, Anna (see p. 14). Susi is a Vienna native and gave Joy Kay a special tour, including Anna's favorite pastry shop, Demel.

**Caleb**

Caleb Covington (Paul Morris) will be testing the waters at the Naval Academy when he attends a camp in Annapolis this summer. In addition, he has been selected by the American Federation of High Schools as the Kentucky delegate to a Leadership conference in Indianapolis.

Jack

Jack Caudill (Janet Bowe) had an awesome football season at New Albany last year and made the All Star team. Jack celebrated here with Katie Shultz, Sidney Hatfield, Mary Shultz, Brooke Hatfield, Bennett Caudill, Brittany Hatfield, and Sarah Hatfield. He is now weight lifting and conditioning for 7th grade football. In addition to his football exploits, Jack was chosen to represent New Albany in the OMUN (Ohio Model United Nations) activities for three days in Columbus and earned a 3.9 GPA in the 6th grade.

Dylan, Ashley, Suzanne, and Bryan

Dylan Johnson (Marlene Adams) completed his freshman year at Orleans High School in Orleans, Indiana, with a 4.0 GPA. He also ran cross country and track and played basketball. In track Dylan was the most improved and was a starter on a very successful JV basketball team. Suzanne and Bryan spent some time in Ruskin, Florida, in the fall and spent their spring break in the Cayman Islands. With Ashley's graduation behind them (see p. 16), the Johnsons are going to Lake Cumberland to boat and camp, to Jamaica later in the summer, and to Jenny Wiley for the 30th Hatfield Reunion.

### Bennett

Bennett Grace Caudill (Janet Bowe) just finished the second grade in New Albany, Ohio. Bennett is a member of the Freedom Travel Soccer Team. She is following in the footsteps of Maggie Blackburn [Phyllis Blackburn], who is an awesome Freedom player. Bennett is also playing softball and was chosen for the All Star Team. When asked to choose her favorite family tradition for a school project, she chose . . . Jenny Wiley!

Brianna Sullivan (Sheryle Sullivan) has followed in a family tradition by attending Eastern Kentucky University. Over the summer she will continue her coursework, while working at Food City and Shae's Boutique. In the meantime, she took some time to visit a statue of Kentucky pioneer Daniel Boone at EKU. She wants the good luck that touching Daniel's toe brings.

### Zack

Zach Blackburn (Phyllis Blackburn) completed his junior year at UK, so he enjoyed the incredible Wildcat run in 2014-2015. This summer Zack is working and fishin—although not necessarily in that order!

**Brianna**

**Leslie and Caleb**

Robin Felty and Caleb Hatfield

Caleb Hatfield (Leslie Hatfield), 11, has medical difficulties that create challenges in transporting him around and to his various doctors' appointments. Caleb's cousin, Robin Felty (Robert Hatfield), spearheaded efforts to raise money to buy a specially equipped van that would allow Caleb's grandfather, Leslie, to transport him more easily. In October the Reunion fund contributed \$500 to aid Leslie in buying a van for Caleb. Caleb has progressed remarkably and has thrived under Leslie's care. Leslie said that the van has been "a miracle."

Tip and Nina Rose

Nina Rose Hatfield and Hord "Tip" Tipton traveled to Honolulu, Hawaii, in November. In addition to sea kayaking and having one of the best steaks ever, they toured Pearl Harbor. It is a grim reminder of the first losses in World War II. Tip retired in January as the executive director of ISC<sup>2</sup>, but he continues to sponsor Nina Rose's golf tour.

Maggie Blackburn (Phyllis Blackburn), here with Sidney Hatfield, is busy balancing competitive cheerleading, travel soccer, and travel softball. Most importantly, Maggie continues to be on the honor roll.

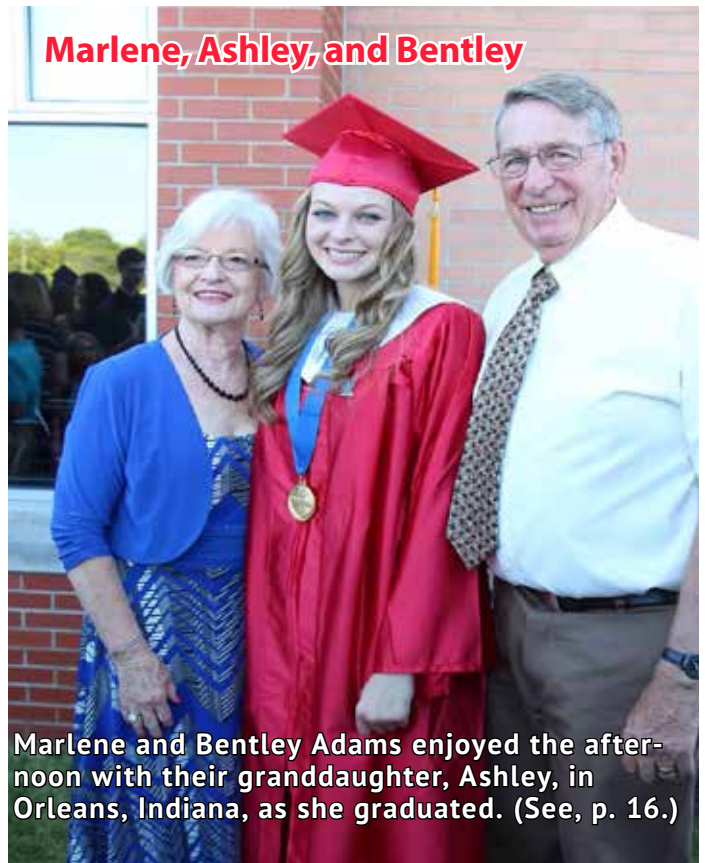

Joe, Karen, Cassie, Steve, Michelle, and Chris

Joe and Karen Bowe, Cassie and Steve Caudill, and Michelle and Chris Bowe (Janet Bowe) cheered for the Kentucky Wildcats during the Final Four of the NCAA tournament at Chris and Michelle's new home in San Antonio, Texas. Chris is established in his new position as President of Christus Santa Rosa Medical Center in San Antonio. Michelle has her hands full focusing on the adjustment to a new area. Cassie and Steve are racking up air miles traveling to Texas since both Joe and Chris and their families have moved there.

**Sydney and Taylour**

Sydney and Taylour (Margaret Rader), pictured here at an Alabama football game, have a new home in Alabama. Taylour is entering her senior year at Bob Jones High School and Sydney will be a sophomore.

**Marlene, Ashley, and Bentley**

Marlene and Bentley Adams enjoyed the afternoon with their granddaughter, Ashley, in Orleans, Indiana, as she graduated. (See, p. 16.)

**The Hatfield Clan**

A picture of Jeanne and TJ Hatfield's family caught some local attention in Sunbury, Ohio, press. The paper ran the picture with an article talking about Tommy spending time with Guy and Lilly Hatfield on Blackberry Creek and being aware of the Hatfield-McCoy Feud. Tom Hatfield, the Sunbury mayor, pointed out that the family enjoys sport shooting and is aware of how to handle a gun safety—something Jeff and Tom learned from TJ. (L-R) 1st Row: Tom, Guy, Jeanne, Jackie, and Jeff; 2nd Row: Sarah, Sidney, Brooke, and Brittany Hatfield.

**Anderson, Abbey, Adam, and Asher**

Although Anderson, Abbey, Adam, and Asher Bowe (Janet Bowe) have relocated to San Antonio, Texas, there can be no mistake that their hearts belong with the Kentucky Wildcats. Adam is working at Big Ass Fans and loves it. In the meantime, Abbey just completed her freshman year at UK and, during the year, joined the Chi Omega Sorority. Asher and Anderson were busy with numerous activities, but they agree that they enjoy the warm Texas weather and not having snow.

Bennett Caudill and Anderson prepare for the finals of the NCAA basketball tournament. There were no qualms about the right team for whom to cheer.

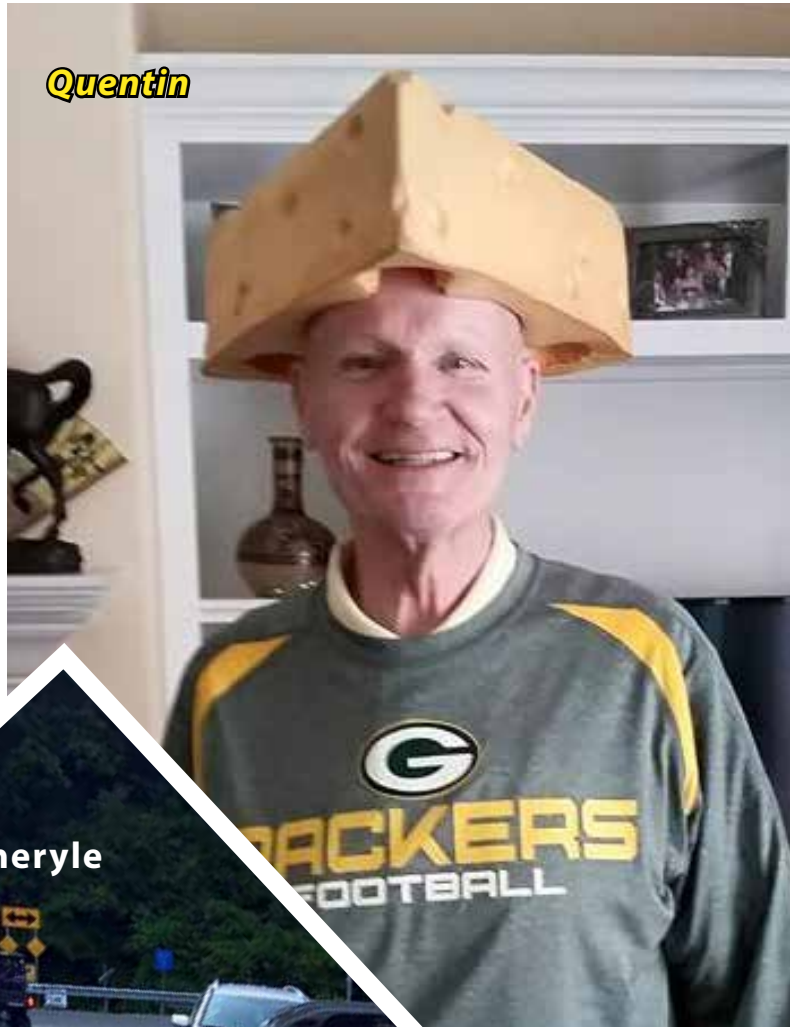

**Brooke, Jeff, and Brittany**

Brooke and Brittany Hatfield, here preparing for a UK game with their dad, Jeff Hatfield (TJ Hatfield), finished their first year of college. Brittany made the Dean's list at OSU and is majoring in early childhood education (K-3). Brooke finished one semester at Thomas More College and transferred to OSU to major in Secondary Education. Brooke was also the assistant coach for the Big Walnut 8th grade girls softball team this past spring.

**Quentin**

**Quentin and Lynn**

The hat says it all as Quentin Hatfield tells the world that he and Lynn left Kentucky to migrate to Wisconsin. It may be colder there, but Quentin and Lynn will be closer to their grandchildren, Harper and Alexander.

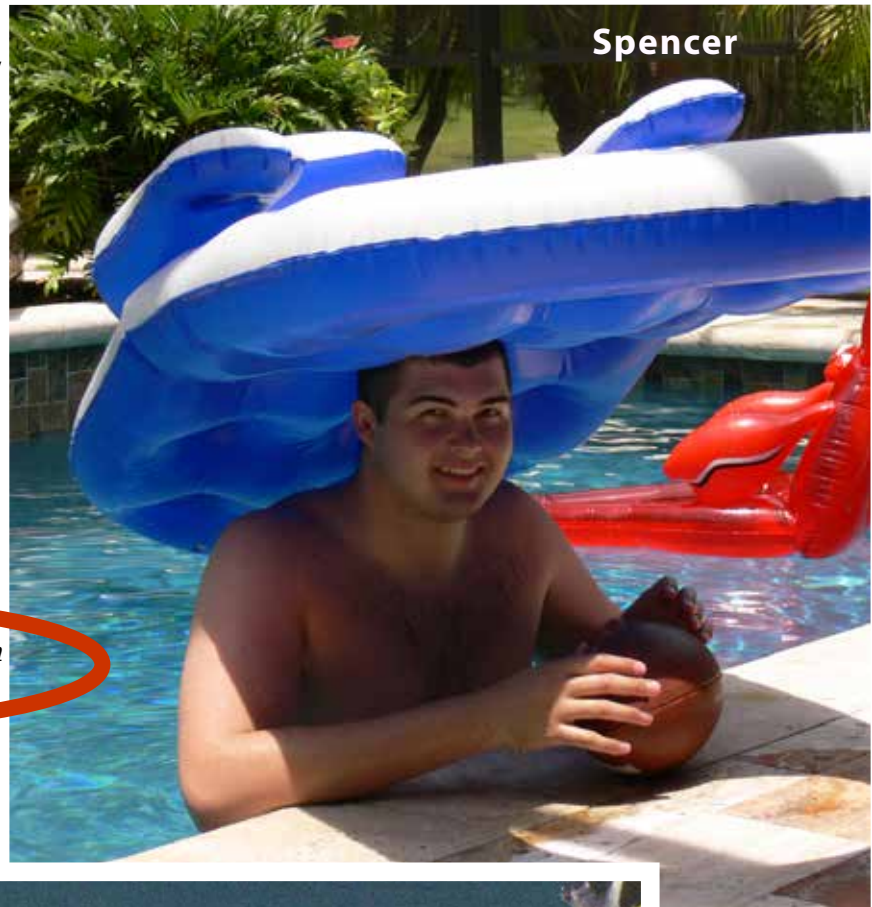

**Sheryle**

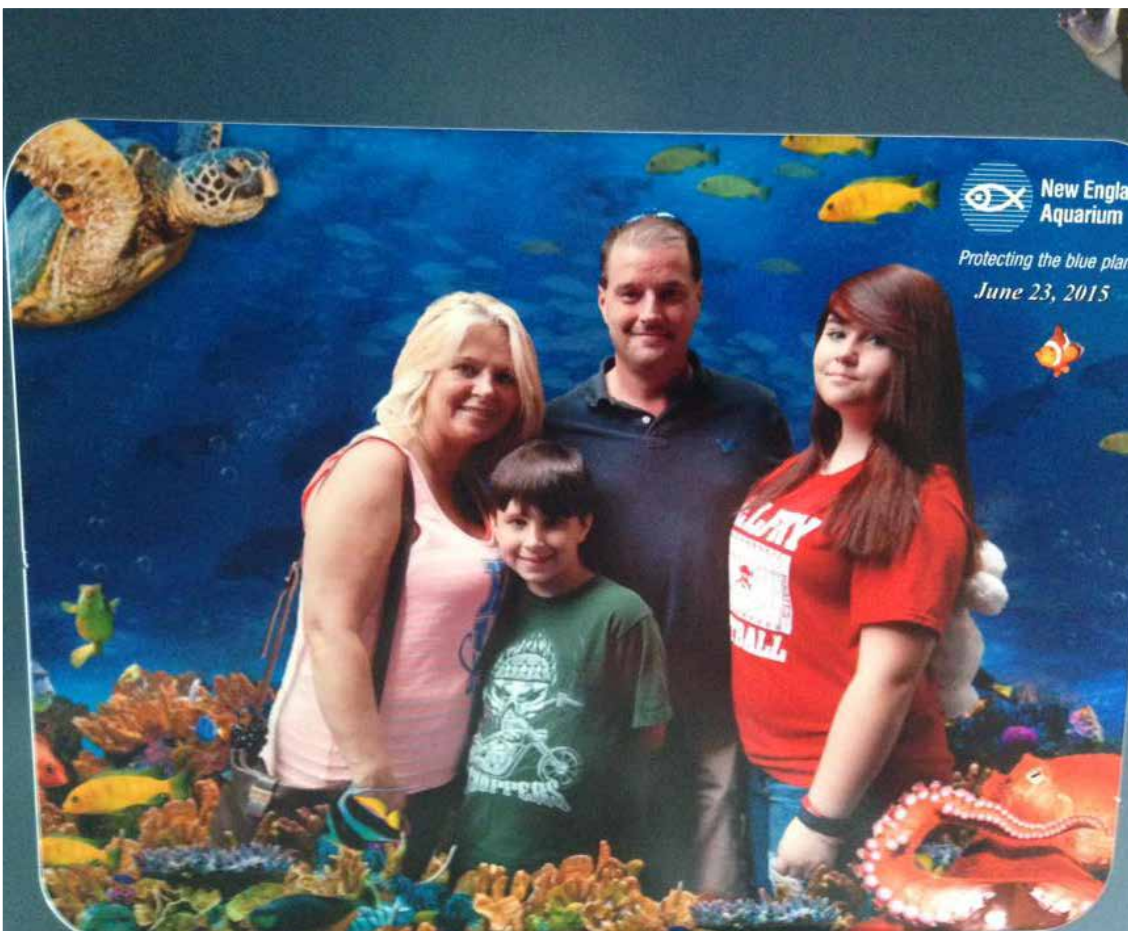

*Sheryle Sullivan, second from the front, worked with local nurses to provide water on the Hatfield-McCoy Marathon route. It's easy to get to her position, because it is across from her house and the Anderson and Polly Hatfield home. Bill works at the Delbarton Prep Plant and operates his carpet cleaning empire. Sheryle continues to run the mall in South Williamson and is busy trying to keep up with the family businesses.*

**Spencer Wright (Joy Kay Hatfield) has officially traded in the snow for alligators and moved to Florida. Currently he is working at a software company, Inventory Management Solutions Inc. as the Assistant Project Manager.**

**Spencer**

Call Jenny Wiley at 800-325-0142 for room reservations.

**TJ, Dencie Faye, Tony, and Virginia**

**The Tony Hatfield (Leslie Hatfield) family vacationed in New England recently. They paused long enough to have this photograph taken at the New England Aquarium in Boston. In addition, Virginia was a delegate to the 2015 Congress of the National Academy of Future Physicians and Medical Scientists. Congratulations, Virginia!**

*(L-R) Dencie Faye, TJ, Tony, and Virginia*

**Steve, Stuart, and Bev**

**Stuart retires**

On April 30, 2015, Lieutenant Colonel Stuart Anthony Hatfield (Steve Hatfield), a graduate of West Point, retired from the Army with a career spanning 23 years of service. Stuart served with a variety of armor and cavalry command and staff assignments in the US and Europe, including 36 months in combat tours in Kuwait, Iraq, and Afghanistan. Steve, Bev, Mitch, Michelle, Wil, and Owen attended the ceremony in the Pentagon with Stuart, Stacey, Emily, George, and Sophia. Stuart’s final assignment was managing the Army’s 30-year modernization strategy and \$912 million budget for ground robotics.

He is continuing that same work as a civilian in the Pentagon leading the Army’s Robotics Branch.

Jeff and Polly’s family salutes Stuart for his service to our country.

**Emily, Stuart, Stacey, Sophia, and George**

**(L-R) 1st Row: Owen, Willem, George, Bev, and Steve; Back: Emily, Stuart, Sophia, Stacey, Michelle, and Mitch**

**Nina Rose, Margaret, Teddy, and Joy Kay**

Ted and Bonnie Hatfield apparently have survived a visit to their home in Missouri by Ted's siblings, Margaret Rader, Nina Rose Hatfield, and Joy Kay Hatfield in June. In addition to a Belmont party to watch American Pharoah win the Triple Crown, Ted and Bonnie treated them to gourmet meals on the banks of the Current River.

**Bonnie & Teddy**

**Robert and Lucy**

Robert Hatfield visited with his great-granddaughter, Lucy Felty.

Chelsea (Janet Bowe) and Michael Tibbitts have moved to Keller, Texas, a major suburb of Fort Worth. Chelsea, who works with the Boys & Girls Club of Greater Fort Worth, is now nearer her parents, Joe and Karen Bowe, and to Chris and Michelle Bowe. Michael is teaching school in the area.

**Michael and Chelsea**

**George**

George Hatfield (Steve Hatfield) will be a senior at Aurora High School in Aurora, Indiana. George hasn't focused on a college yet, but he is focused on Driver's Ed.

**Kyndal**

Kyndal Morris (Paul Morris) has had an exciting year at Southwestern High School in Somerset, Kentucky, where she was a member of the basketball team. Kyndal has been chosen to participate in the Kentucky Governor's Scholars program based on her academic merit, leadership ability, and community involvement. She will spend five weeks this summer at Murray State University with other scholars from across the state.
